President McKinley's Boston Speech. The Philippine Question---Emancipation by shot and Shell--- "Their Good is Our Aim!!"

The address of President McKinev at the dinner of the Home Market Club in Boston Thursday evening is the most important deliverance from that august source for many months. Whatever opinion may be entertained of the sincerity of our chief magis-trate, few will dispute his ability and kill as a speaker, and this latest uttersuch as is most likely to delude the unhinking and further contribute largely to that betrayal of the interests and liberties of the country for which be

as already been conspicuous. The President says, in brief, that he appropriated the Pailippines because, at the close of the war, no other cours them; that we are their "emancipators, mind." In short, we are murdering difficult to read with patience sentences to absurd, or to qualify the indiguant contempt which such nonsense awakens n every unprejudiced mind; but let u xamine more closely the presidential

He declares that "no true American consents" i. e. would have consented, to returning the Philippines to Spain. The writer may not be a "true American," though he never lived anywhere but in Virginia, but he sees no reason why, due protection and indemnity naving been guaranteed the few hunto the public with the desire of dreds or thousands of the people who sided with us against Spain, these island should not have been turned eack to that power. Most of our peo ple, certainly, agree that we do not want them; that responsibility for them is a hindrance and burden; in a word. that we are much better off without tnem. What possible concession then would have been involved in letting Spain keep them? There would have been no difficulty in protecting and osthing Syrup has been used for providing for the support of every man, rows by millions of mothers for woman and child in the islands who had, directly or indirectly, sided with us, and it would have been a great pe-cuniary saving, as compared with the course that has been adopted, to do this. The mere fact that Admiral Dewey happened to overhaul and destroy a Spanish fleet at Manila involved us i no sort of obligation toward the peopl of a vast archiepelago, not one in fifty of whom were in the sightest degreinvolved by our presence on their bor der, and the majority of whom proba-

Fertilizers, Fertilizer Materials and judgment of most of our sober-minded, PRINCES STREET, RETWEEN UNION AND LEE.

ALEXANDRIA, VA.

ALEXANDRIA, VA.

ALEXANDRIA, VA. dent McKinley and the republican party will be recognized by this people

and they be held to strict account. Is anything more intolerable than this cant about the obligations we owe to distant Asiatics of whom a year ago hardly anybody had ever heard, and to whom our sole responsibility springs from the accident of a naval victory near their capital? And, even allowing for the sake of argument that some responsibility to them does exist, should none be felt for ourselves? Should our system of government be revolution-ized, our army quadrupled, our navy vastly augmented, our expenditures annually increased by bundreds of mil lions, and the precious lives of our soldiers risked for an indefinite period in a dangerous zone, all for the purpose of doing what is no business of ours and

can possibly work us nothing but harm? COMMON SENSE.

ance here for the first time, it is said, As the season of the year when pneumonia, la grippe, sore throat, coughs, colds, entarth, bronchitts and larg troubles are to be guarded against, nothing "is a fine substituta," will "asswer the purpose," or "is just se good" as One Minute Cough Cure. That is the one infulling termed for all large throat or hypoin 17 years, in any considerable numbers, it is reported, in town and county, since the beginning of the recent snow fall. Years ago, when they were plentiful in this section numbers of them were killed and trapped, and were considered by many quite a table delicacy. They are said to be one of the very few native birds that can withstand the attacks of the destructive English sparand others of same grade. Soliciting the patronage of the public, I row; in fact, the snow birds are said to be more than a match for the sparrow and able to drive that pugnacious barn offered for sale in bulk. Will be sold

CIGARS AND TOBACCO.

MEDICINAL.

Why let your neighbors know it? And why give them a

chance to guess you are even five or ten years more?

Better give them good reasons for guessing the other way. It is very easy; for nothing tells of age so

It hides the age under a luxuriant growth of hair the

color of youth.

It never fails to restore color to gray hair. It will stop the hair from coming

out also.

It feeds the hair bulbs.
Thin hair becomes thick hair,
and short hair becomes long

It cleanses the scalp; removes all dandruff, and prevents its formation.

We have a book on the

Hair which we will gladly

Send you.

If you do not obtain all the benefits you expected from the use of the Yigor, write the doctor about it. Probably there is some difficulty with your general system which may be easily removed. Address, Dr. J. C. Ayer, Lowell, Mass.
